

CALL FOR PAPERS STORMCON 2010

Lower Rio Grande
Valley TPDES
Stormwater Task Force

Abstract Submission deadline
February 1, 2010

August 1–5, 2010 San Antonio, TX USA

World's Largest Stormwater Pollution Prevention Conference

Texas A&M University – Kingsville, the Lower Rio Grande Valley TPDES Stormwater Task Force, the South Texas Environmental Institute and Forester Media Inc., publisher of *Stormwater* magazine, are seeking papers for presentation at StormCon 2010, which will take place at the JW Marriott San Antonio Hill Country Resort in San Antonio, TX, August 1 – 5, 2010.

StormCon is the only North American event dedicated exclusively to stormwater and surface-water professionals across the continent: municipal stormwater and public works managers, engineering consultants, regulatory personnel, watershed management professionals, academia, and others concerned with stormwater and surface-water quality.

This special Call for Papers targets storm water research projects, academia participation (faculty, graduate students), and environmental institutes. Presentations for StormCon 2010 will be 30 minutes each, including a question-and-answer period.
